## Finding Homes For Homeless Pets

Mutt Lynch Winery is proud to support local animal rescue organizations in their tireless efforts to save pets' lives.

† Nationally, the winery supports North America's largest pet adoption web service, Adopt-a-Pet.com, whose mission is simple – linking homeless pets with homes. In 2010, Mutt Lynch Winery will donate \$10,000 to Adopt-a-Pet.com.

† In communities throughout the country, Mutt Lynch partners with wine shops, restaurants and local animal rescue groups in support of their fundraising efforts.
