

2012 Rosie Rosé

She'll make you blush! Brenda's been eager to add this rosé wine to our "Dog Series" repertoire. Its fantastic color makes me think of sassiness and unapologetic decadent consumption--"I get it in pink because I can!"

It's a lovely wine with fantastic flavors, nice acidity and finish. It's sure to set the style tempo at brunch, poolside or dinner on a warm summer's night.

Our 2012 Rosie Rosé is a delicate, beautifully balanced wine.

Brenda's Winemaking... Great fruit & cold beer

It's all about the fruit. For her Dog Series wines, Brenda has one goal in mind - create fruit-forward wines with varietally true aromatics, mid palette weight and flavor, and a full bodied and balanced finish. For our rosé Brenda used 100% Zinfandel grapes. Skins were left in contact for 12 hours and the wine was both barrel and stainless steel fermented.

Although beach towns with beer shacks frequently inspire our wine-maker, we can't help but wonder if a summer shopping spree at Tiffany's didn't inform this vintage...

Tasting Notes

Visually stunning, this bright pink wine has tight but pretty aromas that include notes of pears, melon and a dash of pepper. The fresh fruit flavors are refreshingly delicious. This is a dry wine of light to medium body and near-perfect acidity. We love the zesty little finish. You'll love the brilliance and freshness of this wine.

Pair this with your favorite Thai or Vietnamese dish, cold grilled vegetables or salad Nicoise.
