

2013 Rosie Rosé

She'll make you blush! This is Brenda's second vintage of rosé. Fans of our wines love its fantastic color and agree that it has a certain sassiness and character of unapologetic decadent consumption-- "I get it in pink because I can!"

It's a lovely still wine with fantastic flavors, nice acidity and finish. What many people don't know about rosé is how versatile and food-friendly a wine it really is. This is a wine that pairs well with many dishes throughout the seasons, but there's no arguing it can't be beat for a stylish brunch, poolside or for dinner on a warm summer's night.

Our 2013 Rosie Rosé is a delicate, beautifully balanced wine.

Brenda's Winemaking

It's all about the fruit. For her Dog Series wines, Brenda has one goal in mind - create fruit-forward wines with varietally true aromatics, mid palette weight and flavor, and a full bodied and balanced finish. For our 2013 rosé Brenda used 100% Zinfandel grapes. Skins were left in contact for 12 hours and the wine was both barrel and stainless steel fermented.

Inspiration in winemaking comes from many sources. We're thinking Brenda might've attended a motivational speaking engagement while making this wine—cause girl, this dog's got some attitude!

Tasting Notes

Visually stunning, the aromatics of this wine include notes of cherries and strawberries. The crisp flavors are refreshingly delicious. This is a dry wine of light to medium body and near-perfect acidity. As with the 2012 vintage, the 2013 has a zesty little finish you're sure to love. Beautiful, brilliant and refreshingly delicious, that's our Rosie Rosé.

Pairs best with Asian dishes, cold grilled vegetables and even lamb.
