

## 2018 Fou Fou Le Blanc Sauvignon Blanc

*My 2018 Fou Fou Le Blanc is 100% Sauvignon Blanc from grapes grown in Sonoma County. Fou Fou is always meant to be my most fruit forward white wine and this release clearly reflects my rules for producing an excellent tasting white - stainless steel fermentation to accentuate ripe melon and citrus fruit flavors with a hint of Sauvignon Blanc's natural herbaceous character; and no oak aging to create a finish that is crisp, clean and refreshing.*

*I hope you enjoy my newest vintage of Fou Fou.

### Brenda's Winemaking...Great fruit & cold beer

---

**It's all about the fruit.** For her "Dog Series" wines, Brenda has one goal in mind - create fruit-forward wines with varietally true aromatics, mid palate weight and flavor, and a medium to full-bodied, balanced finish. Brenda sources her fruit from a variety of appellations within California always letting the quality of the fruit drive her selections. Her travels always seem to have stops in beach towns for a cold beer at the local pub, which she claims are an equally important part of her winemaking!

---

### Tasting Notes

---

Our 2018 Fou Fou Le Blanc shows a brilliant straw yellow color in the glass and opens to delicate aromas of melon and citrus. Crisp and fresh with the balance and structure our white wine fans have come to love, our 2018 Fou Fou Le Blanc Sauvignon Blanc will be welcomed as another standout release. The mid palate flavors of melon, pear and citrus are delicate and elegant. Near perfect acidity gives it the structure that delivers a clean and fresh finish. As with all of Brenda's whites - no oak. She lets the fruit speak (or bark) for itself.

Pair this lovely wine with your favorite recipe for any white fish like sole or flounder and you can't go wrong.
