

## Our Cause

### Finding Homes for Homeless Pets

Mutt Lynch Winery is proud to support local animal rescue organizations in their tireless efforts to save pets' lives.

- ◆ Nationally, the winery supports North America's largest pet adoption web service, *Adopt-a-Pet.com*, whose mission is simple – linking homeless pets with homes. In 2010, Mutt Lynch Winery will donate \$10,000 to Adopt-a-Pet.com.
- ◆ In communities throughout the country, Mutt Lynch partners with wine shops, restaurants and local animal rescue groups in support of their fundraising efforts.

### A Doggone Good Year

- ◆ Mutt Lynch Winery tries to help out whenever and wherever it can with donations of owners Chris and Brenda Lynch's time, wine, time and contributions.
- ◆ In 2009, Mutt Lynch supported over 50 nonprofit animal organizations and attended over 30 fundraising events. Over \$30,000 in donations resulted from Mutt Lynch efforts. In 2010, Mutt Lynch hopes to double this support.
