

Our Cause

Finding Homes for Homeless Pets

Mutt Lynch Winery is proud to support local animal rescue organizations in their tireless efforts to save Pets' lives.

◆ Non-Profit Partner Program

The winery has created a special program that allows us to get our wine to non-profit events wherever we can, supporting much needed fundraising efforts.

◆ Local Activation

In communities throughout the country, Mutt Lynch partners with wine shops, restaurants and local animal rescue groups in support of their fundraising efforts. Here in Sonoma County, we have recently been working with The Green Dog Rescue Project; one of many truly worthy organizations.

◆ A Doggone Good Year

In 2012, Mutt Lynch is on track to support over 60 non-profit animal organizations and attend over 30 fundraising events. We anticipate \$20,000 in donations to result from these efforts. With every year, we try to set the bar higher!

"Bark Less, Wag More!"
