

2017 Chateau d'Og Cabernet Sauvignon

Cabernet Sauvignon is King. Some of the greatest wines of the world are produced from Cabernet Sauvignon; none more renowned than the red wines from Bordeaux, France. Impressive houses ("chateaux") honor these prestigious wines from a region where tradition reigns supreme. We honor (and poke fun) at the French with our Chateau d'Og label and wine! Brenda loves the "bigness" of well made Cabernet Sauvignon and is confident her 2017 Chateau d'Og Cabernet Sauvignon overdelivers with its bold and rich flavors that are purely Cabernet Sauvignon.

Brenda's Winemaking... Great fruit & cold beer

It's all about the fruit. For her "Dog Series" wines, Brenda has one goal in mind - create fruit-forward wines with varietally true aromatics, mid-palate weight and flavor, and a full bodied and balanced finish. Brenda sources her fruit from a variety of appellations within California always letting the quality of the fruit drive her selections. Her travels always seem to have stops in beach towns for a cold beer at the local pub, which she claims are an equally important part of her winemaking!

Tasting Notes

Our 2017 Chateau d'Og Cabernet Sauvignon displays its youth in several ways. It has a delicate ruby color that's not quite opaque and it's a bit reserved on the nose. It opens to aromas of red plum, black cherry and violet. The flavors echo the aromas and are highlighted by the beckoning notes of dark chocolate. This Sonoma County Cabernet Sauvignon is medium-bodied, has tempered tannins and a long, luscious finish.

Depending on your mood, our suggested food pairings include either a well-seasoned roast beef or a decadent meat torta mushrooms sautéed in Cabernet Sauvignon wine.
