

## 2017 Miss Understood Pinot Noir

**Luscious Pinot Noir.** Winemaker Brenda Lynch is pleased to release her second vintage of Miss Understood Pinot Noir. We love to drink Pinot Noir at Mutt Lynch - it is a luscious red wine that is juicy and delicious with red fruit aromas of cherries, raspberries and strawberries. And it goes well with all types of food - fish, fowl or meat! What's not to like! We hope you enjoy our 2017 Miss Understood.

### Brenda's Winemaking

**It's all about the fruit.** For her "Dog Series" wines, Brenda has one goal in mind - create fruit-forward wines with varietally true aromatics, mid palette weight and flavor, and a full bodied and balanced finish. Brenda sources her fruit from a variety of appellations within California always letting the quality of the fruit drive her selections. Her travels always seem to have stops in beach towns for a cold beer at the local pub, which she claims are an equally important part of her winemaking!

### Tasting Notes

Our 2017 Miss Understood has classic Pinot Noir flavors of ripe red cherries and strawberries with hints of herbs and smoke. Its beautiful fruit leads into a long, silky and smooth finish. The strength of our Miss Understood Pinot Noir is that it is so versatile with food, going well with almost anything. Any day of the week! At Mutt Lynch, it is our "red wine with fish" option as well as our choice with more delicate meats like pork loin. Picture marinated pork loin that is grilled on a plank to keep it moist and juicy.

*We think there is a happier ending to the story.*
